Home of Three World Championship Golf Courses

The Wigwam's Gold Course opened in 1965, six years after Firestone Country Club's famed South Course. Jones Sr. designed the Gold Course to be the West Coast rival of Firestone South. Rival or peer, the two courses share many traits in common – both courses measure more than 7,400+ yards from the tips, both include a series of long par-4's and epic par-5's, both feature small elevated greens and both courses have been recognized among Jones Sr.'s finest designs.

RULES OF PLAY

- USGA Rules govern all play except where modified by local rules.
- Out-of-Bounds is defined by walls, fences, curbs and white stakes. A ball that crosses a public road defined as out of bounds and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course.
- Flower beds (not including rancho landscaping) are considered to be ground under repair. Play is prohibited from all flower beds. Flower beds surrounded by a cart path are considered part of the obstruction.
- Rancho areas are a playable part of the course. You do not receive relief. Please do not drive your cart into these areas.
- Golf Course Ambassadors are to assist all players in finishing their round in less than 4 hours and 15 minutes. They may ask your group for special assistance if you are behind that pace.
- Please enter the fairway at the first blue tip stake and exit the fairway at the second.
- Stakes opposite the cart path at 150 yards from the green indicate front, middle or back pin placement with corresponding red, white or blue cap.
