THE WIGWAM IS MORE THAN A RESORT, IT IS A PART OF ARIZONA HISTORY.

Situated in the West Valley, this iconic hotel has become synonymous with Litchfield Park and is in many ways the cornerstone of the community. Blending casual elegance with the charm of the Southwest, The Wigwam is a 440 acre getaway destination that promises an unforgettable experience, no matter the reason for visiting.

Boasting luxury casitas and suites, a variety of award-winning restaurants, a full array of recreational amenities, pools and a 26,000 SF full-service spa, The Wigwam is best known for its 54 holes of championship-caliber golf. Among them are two Robert Trent Jones, Sr. courses including the famed Gold Course and the Blue. Rounding out the golf experience is the Red, designed by renowned course architect Red Lawrence.

GOLD

Designed by the master designer himself, the Gold Course was created in 1964 to rival another of Robert Trent Jones Senior's courses, the famed South Course at Firestone Country Club. At 7,345 yards, this long and winding par 72 course will challenge even the finest of golfers, leaving them with club choices that will either reward or reprimand their decisions.

BLUE

The Blue has been described as the "great contradiction" in that it behaves so very differently from front to backside. Also a Jones, Sr. creation, this 6,000 yard par 70 course is known to be both technical and challenging yet subtle, as golfers must negotiate a number of perilous bunkers, thirsty ponds and challenging dog-leg fairways.

RED

A natural complement to the Gold and Blue courses, the Red is nearly 6,900 yards and plays alongside an abundance of natural water features and lush trees. The par 72 layout has generous fairways and greens, yet its finishing stretch is as tough as any—a certain test for anyone.

ONE MEMBERSHIP, FIVE COURSES

Inclusive to all Wigwam Golf Memberships is a reciprocal membership at the 36-hole Biltmore Golf Club. Located in the historic Biltmore area of Phoenix, the Biltmore's two championship courses allow for a diversity opportunity in your membership unmatched by any other golf membership in the valley!

The Arizona Biltmore Golf Club and its two golf courses, Links and Adobe, are located in the shadow of the Phoenix Mountain Preserve. The Adobe golf course is considered stately and grand, a forefather of modern design, and is one of the most established golf courses in Phoenix. The lush, 50 year-old fairways and spacious layout are a reminder of the game the way it was meant to be. The Links Course, the younger of the two Biltmore courses, has earned the respect of golfers everywhere as one of Arizona's premier golf courses. Rolling fairways lined with pines meander through some of the most stunning homes in Phoenix.
